Dear SEAS Student,

The 2020 Stationary Engineering Apprenticeship School (SEAS) Spring Semester was interrupted by Covid-19. As a result, Houston Community College closed their campus for the safety of all instructors and students. As we are entering into the Fall Semester, Houston Community College remains closed, therefore only online classes are now offered by SEAS.

The SEAS organization is in receipt of your full tuition for the 2020 Spring Semester.

This letter is to inform you that you can re-register for the upcoming online Fall 2020 Semester or the Spring 2021 Semester at no additional cost.

If you have not registered by the close of registration to either the Fall 2020 or the Spring 2021 Semesters, you will be forfeiting all tuition fees paid to SEAS. Simply register for classes at www.seashouston.org.

Do not hesitate to call or email myself or Lloyd.

We are here to help you further your education!

Sincerely,

Stephen Lloyd
